Dear Sir,

On behalf of Umed Pariwar, I would like to thank you for your kind donation of Rs 2.21 lakhs which will be used for the benefit of our Residential facility for Intellectually Disabled (Mentally Challenged) persons at Wadki. This money has been used for installing Transformer in our Campus. It is fully functional and has been of great use.

It is because of your generosity; we are able to further our mission in bettering the lives of Mentally challenged persons. I know there are a lot of other ways you could have spent this money, but you believe in our cause, so you chose to invest it in our project. Because of this investment, I want you to feel like part of our team. We are in this together. I want our success to be your success. We hope for your continued support in the future. The thoughtful contributions from people like you make all the difference.

Regards,

Rajendra Nahar
